

PATIENT DISCLOSURE & WAIVER FORM

Waiver: CHILD POLY WAIVER | Date: 6/11/2026

Patient Name: _____

CHILD POLY WAIVER: I have been cautioned by my optician that my child should have polycarbonate lenses due to poly being extremely impact resistant and shatter resistant, thereby safer for my child's glasses. I am choosing to not get poly and will not hold Pal Optical responsible should my child's lenses shatter or break and injure them.
